Virtual Integration Infrastructure

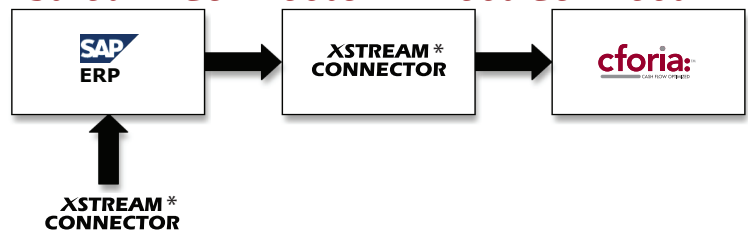

SAP® Certified
Powered by SAP NetWeaver®

SAP NetWeaver is the trademark or registered trademark of SAP AG in Germany and in several other countries.

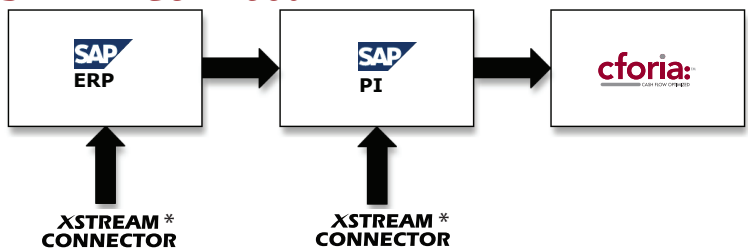

Xstream Connector Features

- Certified by SAP
- Developed using SAP recommended best practices and integration techniques.
- Software is packaged leveraging SAP's Add-on Assembly Kit.
- Content is implemented, versioned and maintained within the SAP application, using the standard SAINT transaction, just like SAP delivered software.
- Designed and architected to allow maximum implementation flexibility. This allows each deployment to adapt to a customer's specific integration infrastructure.
- Leverages SAP standard integration techniques. It is implemented, scaled, and tuned just like any standard SAP delivered interface.
- Supports versions SAP R/3 4.6C, SAP 4.7 Enterprise, SAP ECC 5.0, and SAP ECC 6.0.
- Cforia SAP PI content supports versions 3.0, 7.0 and 7.1.

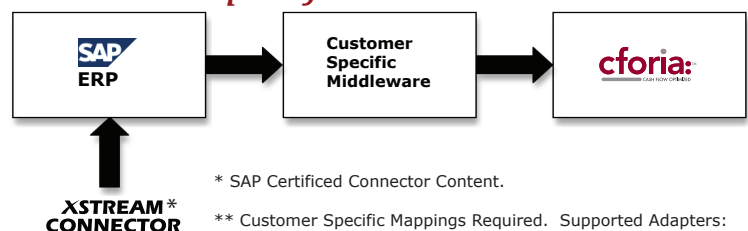

Xstream Connector Direct Connect

SAP PI Connect
